December 3rd, 2018

Happy Winter Time...

Dear Parent(s) / Guardian(s)

This month two projects will be due, including 2nd Lab Project and Independent Project. Until the end of the semester, 1st through 4th grade students will continue working on the activities related to their long term projects, while 5th grade students will be exploring 3D designing and 6th grade students will be creating our GATE Imaginary Country for the Passport Night, event that will take place on December 13th, from 5 until 7 pm at HSA-Garland.

Aside from the projects, our GATE students will be organizing a fundraiser in order to help us reach our goal: Field Trip to iFLY. It would be an amazing experience and we hope to be able to do it. Here is a video of an iFLY field trip experience: <https://www.youtube.com/watch?v=SPZWwEY9Tbk&feature=youtu.be>

More information to come regarding our Field Trip Fundraiser.

As you know, some of our GATE students are also members of STUCO (Student Council). On November 26th, STUCO started a drive for Jonathan's Place. The drive will take place until December 14th. Jonathan's Place is a Dallas County emergency shelter for children ranging in age from newborn up to 18. STUCO invites you to donate the following items in order to help these children: pajamas, slippers, socks, coats, hats, gloves, mittens and scarves. Items can be new or gently used (of any size). The class with most items collected will earn an ice cream party.

Last but not the least, our first Award Ceremony for the 2018-2019 school year will take place this month.

Please do not forget to visit our website regularly. Aside from all the information about the projects we are and will be working on, you can also find the important dates and events that are taking place in Gifted and Talented Community.

**STRENGTH DOESN'T
COME FROM WHAT
YOU CAN DO
IT COMES FROM
OVERCOMING
THE THINGS
YOU THOUGHT
YOU COULDN'T**
