GIFTED & TALENTED EDUCATION

GATE Newsletter

Volume 2, Issue 1

January 11th, 2019

Hello Winter...

Dear Parent(s) / Guardian(s)

Welcome back! Hope you had a wonderful winter break.

This month our students will be working on their 3rd Lab Project, as well as the second part of their Long Term Project. Details regarding projects were sent through ClassDojo.

Aside from the projects, our GATE students will host a fundraiser in order to help us reach our goal: Field Trip to iFLY. We hope to be able to realize and live this amazing experience. For an insight, watch the following video : <https://www.youtube.com/watch?v=SPZWwEY9Tbk&feature=youtu.be>

The fundraiser will take place on Friday, January 18th, from 4:30 pm until 7:00 pm at HSA (Cafeteria). Join us for Live Museum, Game Corner, as well as Craft and Food Sale.

As you know, some of our GATE students are also members of STUCO (Student Council). On November 26th, STUCO started a drive for Jonathan's Place, which took place until December 14th. Jonathan's Place is a Dallas County emergency shelter for children ranging in age from newborn up to 18. Our school collected over 500 items. Sincere thanks to all students, parents, friends and staff for their generous participation. 6B, Mr. Haynie's class, collected most items and earned an ice cream party.

Please do not forget to visit our website regularly. Aside from all the information about the projects we are and will be working on, you can also find the important dates and events that are taking place in Gifted and Talented Community.

Learn from yesterday, live for today, hope for tomorrow. The important thing is not to stop questioning.
