## Ready, set, go...

Dear Parent(s) / Guardian(s)

Our classes begin on September 4th. This month the students will start exploring the topics from our short term projects through diverse activities.

**1st - 4th grade:** Cross-curricular activities based on conceptual themes  
Gifts (1st grade); Cycles (2nd and 3rd grades); Explorations (4th grade)

**5th - 6th grade:** Philosophy  
Values and knowledge (5th grade); Reality and critical thinking (6th grade)

Also, our GATE club starts on September 11th, from 7:20 am until 8:05 am. It will take place every Tuesday morning in our GATE classroom. GATE club is an opportunity (extra time) for our GATE students to work on their projects, related to this class or any other. No fees associated with the club.

Remember to join our ClassDojo in order to stay informed of all details related to the projects as well as our GATE program in general.

Some of the events that will take place in September are:

- Parents' Night, September 6th, from 5 until 6 pm at HSA-Garland. Parents, of returning students as well as newly enrolled students, will be informed of our GATE program objectives and expectations.
